

3 DAY Conference cum WORKSHOP

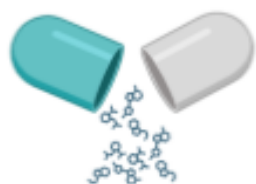

New Vistas in Drug Discovery, Design & Delivery -2023

(4th - 6th October, 2023)

Department of Systems & Computational Biology
School of Life Sciences
University of Hyderabad

and

CRESSET Biomolecular Discovery, UK

Programme:

4th Oct: Talks by experts from both academia and industry on recent advances in drug design, discovery and delivery

5-6 Oct: Intensive hands on training by M/s CRESSET, UK on their flagship CADD software

Registration Free

Participation restricted to the PhD Students, Post-docs and faculty from the recognised universities in India with the following Prerequisites: a) Proficiency in Linux/Windows OS and b) Basic knowledge in rational approach to drug design, ligand based design and protein-ligand binding

For registration and further details visit:
