B 2026 BIOXYRA SUMMIT

Connect | Collaborate | Transform

18 - 19 June 2026

Starts at 10:00 AM

Hyderabad, India

Where Ideas in Biotechnology Find Direction

The BioXyra Summit 2026 marks the beginning of a platform created with a simple purpose:

- **to bring together the people who are shaping the future of biotechnology in India.**

The inaugural edition sets the tone for what this summit aims to be a focused gathering where scientific insight, strategic thinking, and collaborative dialogue come together in a balanced, meaningful way.

Not grand gestures, not overstated promises just thoughtful conversations that move the field forward.

2026 BioXyra Summit

Connect | Collaborate | Transform

Knowledge Partner

Sessions

14

Fourteen focused sessions offering practical insights, expert perspectives, and discussions on the trends shaping India's life sciences landscape.

Speakers

30+

Over thirty distinguished leaders and subject-matter experts sharing knowledge, experience, and forward-looking viewpoints across research, regulation, innovation, and industry.

Attendees

150+

A curated gathering of more than 150 professionals from across the life sciences ecosystem, fostering meaningful connections and collaborative opportunities.

A Setting Designed for Real Engagement

Where Ideas in Biotechnology Find Direction

The BioXyra Summit 2026 marks the beginning of a platform created with a simple purpose:

- **to bring together the people who are shaping the future of biotechnology in India.**

The inaugural edition sets the tone for what this summit aims to be a focused gathering where scientific insight, strategic thinking, and collaborative dialogue come together in a balanced, meaningful way.

BioXyra brings together individuals who influence the direction of India's scientific and biomanufacturing capabilities R&D heads, regulatory thinkers, investors, founders, academic leaders and technology innovators. The format is compact, the discussions grounded, and the atmosphere designed to make every interaction count. It's the kind of setting where one conversation can shift thinking, spark a collaboration, or open a pathway that didn't exist before.

The summit brings together:

- R&D leaders
- Biopharma and biotech executives
- Regulatory and policy voices
- Investors and strategic partners
- Academic and translational researchers
- Deep-tech and healthcare innovators

BIOXYRA SUMMIT 2026

SPEKAERS

ABHISHEK MATHUR
GLOBAL PHARMA LEADER
SYMPHONY TECH

DR. ALOK TRIPATHI
SR. VICE PRESIDENT
CENTAUR PHARMACEUTICALS
PVT. LTD.

AMJAD HUSAIN
COFOUNDER
CANFINIS THERAPEUTICS

DR. ANUP CHOUDHURY
MEDICAL DIRECTOR, GLOBAL
CLINICAL DEVELOPMENT
NOVARTIS

DR. DAMODHARAN M.
CHIEF QUALITY OFFICER - GLOBAL
QUALITY & REGULATORY AFFAIRS
SAI LIFE SCIENCE LTD

DUSHYANT SINGH BAGHEL
FOUNDER AND CEO
NUCLEOME

HARI KIRAN CHEREDDI
MANAGING DIRECTOR
HRV PHARMA

DR. JAGADEESH GANDLA
CHIEF OPERATING OFFICER
FABA

DR. JEEVAK GUPTA
MANAGING DIRECTOR
INVASCENT

JOGINDER TANIKELLA
CEO, GOVERNMENT OF
TELANGANA
T-WORKS

KAILASHNATH M S
PARTNER
IDEASPRING CAPITAL

DR. KIRAN KANDULA
SENIOR DIRECTOR & HEAD
ASTRAZENECA

DR. KISHORE J. R. KUNAPULI
CONSULTANT FOR THE DEVELOPMENT OF
CAR-T CELL THERAPY PRODUCTS
PULSE PHARMACEUTICALS

KUNAL GANGWAL
DIRECTOR ETHICS, RISK AND
COMPLIANCE R&D
NOVARTIS

MALOY GHOSH
CHIEF SCIENTIFIC OFFICER
ZUMUTOR BIOLOGICS INC.

DR. MAMTA S.K
SCIENTIFIC DIRECTOR
WHALE TANK BIOCATALYST

BIOXYRA SUMMIT 2026

SPEKAERS

DR. MURALI ADDEPALLI
VICE PRESIDENT & CSO
SANSHI BIO SOLUTIONS
PRIVATE LIMITED

NIRAV DESAI
FOUNDER
YAPAN BIO

RACHANA TRIPATHI
CHIEF EXECUTIVE OFFICER
HUWEL LIFESCIENCES

RAJKIRAN NADUPALLI
ASSOCIATE DIRECTOR
NOVARTIS

DR. RANJAN CHAKRABARTI
BIOPHARMA PROFESSIONAL

REDDANNA PALLU
EXECUTIVE PRESIDENT
FEDERATION OF ASIAN
BIOTECH ASSOCIATIONS

DR. RIYAZ SYED
FOUNDER & CEO
CENTELLA AI THERAPEUTICS

SALIM SHAIKH SADIQ
CO-FOUNDER
STRIDERDCT

DR. SAMBASHIVA D.
COORDINATOR
BIO ASIA

DR. SAMIR KULKARNI
DEPARTMENT OF BIOLOGICAL
SCIENCES & BIOTECHNOLOGY
ICT-MUMBAI

SATEESH BABU

BIOXYRA SUMMIT 2026

AGENDA

THURSDAY	18.06.2026
09:30 AM	REGISTRATION & NETWORKING COFFEE
10:10 AM	WELCOME ADDRESS Overview of BioXyra 2026 and event objectives
10:15 AM	OPENING KEYNOTE Indian Pharma 2026: From Generics Powerhouse to Innovation Leader <ul style="list-style-type: none">Trace India's transition from cost leadership in generics to innovation-led growth.Examine DBT and government-led initiatives driving R&D and translational research.Understand the national roadmap for building a \$300B bioeconomy by 2030.
10:35 AM	PANEL DISCUSSION India's Pharma Outlook 2030: Sustaining Global Leadership through Innovation <ul style="list-style-type: none">Assess how India can retain global competitiveness amid geopolitical and regulatory shifts.Explore the rise of biologics, biosimilars, and bioconjugates as growth engines.Evolving regulatory landscape for biosimilars: CDSCO updates and global pathways.Discuss opportunities for innovation-led exports and advanced manufacturing. Moderator: Ranjan Chakrabarti Biopharma Professional Panellists: <ul style="list-style-type: none">Abhishek Mathur, Global Pharma Leader, Symphony TechHari Kiran Chereddi, Managing Director, HRV PharmaDr. Vikram Venkateswaran, Founder, Healthcare IndiaDr. Samir Kulkarni, Department of Biological Sciences & Biotechnology, ICT-Mumbai
11:20 AM	HI-TEA & NETWORKING BREAK
11:45 AM	EXPERT TALK Sustainable Biotech: Circular Bioeconomy and Green Manufacturing <ul style="list-style-type: none">Explore the integration of sustainability and waste valorisation in biomanufacturing.Discuss policy and industry efforts towards achieving net-zero biotech operations.Understand how circular models drive cost efficiency and ESG alignment.

All session timings, topics, and speaker assignments are provisional and may be revised at the discretion of the organisers.

<https://bioxyrasummit.com/>

AGENDA

THURSDAY**18.06.2026****12:10 PM****PANEL DISCUSSION****Biologics, Biosimilars & Bioconjugates: India's Next Growth Horizon**

- Evaluate the investment potential and capacity-building needs for biologics.
- Advanced technologies for biologics characterization: MS, NMR, and real-time QC.
- Examine regulatory readiness and IP frameworks for advanced therapies.
- Discuss pathways to global market access for biosimilar exports.

Moderator: TBD

Panellists:

- Amjad Husain, Co-founder, Canfinis Therapeutics
- Dr. Jeevak Gupta, Director investments, InvAscent
- Dr. Mamta S.K, Scientific Director, Whale Tank Biocatalyst
- Dr. Murali Addepalli Co-Founder & CSO, Lextro Labs
- Dr. Srinivas Maddi, Founder & CEO, Acubiosys Pvt. Ltd.
- Dr. Tathagata Dutta, President, Jodas Expoin Pvt. Ltd.

01:00 PM**NETWORKING LUNCHEON****02:00 PM****TECHNICAL PANEL DISCUSSION****Quality-by-Design & Regulatory Harmonisation in Biopharma Manufacturing**

- Discuss the global movement towards harmonised quality frameworks (CDSCO-USFDA-EMA).
- Explore digital QbD tools, process analytics, and AI-driven compliance.
- Non-animal models for preclinical assessment of biologics: Organoids and validation.
- Understand how harmonisation can accelerate export approvals and market confidence.

Moderator: TBD

Panellists:

Maloy Ghosh, Chief Scientific Officer, Zumutor Biologics Inc.
 Nirav Desai, Founder, Yapan Bio
 Joginder Tanikella, CEO, T-Works (Government of Telangana)
 Dr. Sunil Kumar Mandal, Vice President and Site Head, PI Health Sciences
 Dr. Vadiraja Bhat, Head - Market Development, SCIEX

02:50 PM**PANEL DISCUSSION****Pharmacovigilance and Data Transparency: Building Trust in Indian Pharma**

- Highlight data-driven pharmacovigilance models to ensure patient safety.
- Examine AI-led signal detection and digital reporting systems.
- Understand how transparency enhances India's credibility in global markets.

Moderator: TBD

Panellists:

Dr. Anup Choudhury,, Medical Director, Global clinical development , Novartis
 Gargi Chaterjee, Head, Global ICSR Case management, Novartis
 Dr. Kiran Kandula, Senior Director & Head, AztraZeneca
 Souvik Chaterjee, Associate Director, R&D Quality Lead, Bristol Myers Squibb

BIOXYRA SUMMIT 2026

AGENDA

THURSDAY

18.06.2026

03:30 PM

SPOTLIGHT TALK

Regulatory Evolution: Building Frameworks for GT, mRNA, and Advanced Modalities

- Analyse India's regulatory preparedness for novel therapeutic classes.
- Discuss how adaptive regulation can catalyse innovation while ensuring patient safety.
- Hear perspectives from DBT, FABA, and leading biotech policymakers.

Sateesh Babu, Associate Director, Syneos Health

Dr. Srikanth Reddy S., Head - Regulatory Affairs, Jodas Expoin Pvt. Ltd.

04:00 PM

CLOSING REMARKS & END OF DAY 1

All session timings, topics, and speaker assignments are provisional and may be revised at the discretion of the organisers.

<https://bioxyrasummit.com/>

BIOXYRA SUMMIT 2026

AGENDA

FRIDAY

19.06.2026

09:30 AM

REGISTRATION & NETWORKING COFFEE

10:10 AM

OPENING KEYNOTE

Investment Outlook 2026: Where Smart Capital Meets Smart Science

- Explore funding trends across biotech, digital health, and advanced therapeutics.
- Hear investor perspectives on risk, regulation, and long-term value creation.
- Understand how India's innovation story is reshaping global capital flows.

10:30 AM

PANEL DISCUSSION

R&D Financing Models: Can India Support Long-Term Innovation?

- Assess venture funding, public-private partnerships, and government incentives.
- Discuss bottlenecks—funding constraints, slow approvals, infrastructure gaps.
- Explore how new financing structures can accelerate clinical translation.

Moderator: TBD

Panellists:

- Rachana Tripathi, Chief Executive Officer, Huwel lifesciences
- Dr. Shivaji K Jadhav, Founder & CEO, Suvahaan BioNobel Solutions
- Salim Shaikh Sadiq, Co-Founder, StriderDCT

11:20 AM

HI-TEA & NETWORKING BREAK

11:45 AM

FIRESIDE CHAT

Public-Private Collaboration in Translational Research: Lessons from Global Models

- Examine successful PPPs driving biotech acceleration in India and abroad.
- Explore frameworks for academia-industry co-development.
- Hear from DBT and leading research institutions on collaborative growth.

All session timings, topics, and speaker assignments are provisional and may be revised at the discretion of the organisers.

<https://bioxyrasummit.com/>

AGENDA

FRIDAY

19.06.2026

12:15 PM

PANEL DISCUSSION

Balancing Risk & Reward: The Investor's Dilemma in Indian Biotech

- Evaluate investor sentiment toward biosimilars, CGT, and nucleotide-based therapies.
- Discuss mechanisms for de-risking early innovation.
- Hear from leading funds and biotech founders on navigating India's innovation ecosystem.

Moderator: TBD

Panellists:

- Kailashnath M S, Partner, Ideaspring Capital
- Kishore J R Kunapuli, Consultant for the development of CAR-T Cell Therapy Products, Pulse Pharmaceuticals
- Dr. Vedha Sampath, Partner, Endiya Partners
- Venkat Kamalakar Bundla, Chief Executive Officer-EU , Marksans Pharma Ltd.

01:00 PM

NETWORKING LUNCHEON

02:00 PM

PANEL DISCUSSION

AI, Quantum Computing & Data-Driven R&D: Accelerating Drug Discovery

- Explore how AI and computational power are transforming discovery pipelines.
- AI/ML for bioprocess development: Predictive modeling and yield optimization.
- Assess challenges of data governance and validation in regulated environments.
- Discuss the translation gap between lab success and market ready products.

Moderator: TBD

Panellists:

- Dr. Riyaz Syed, Founder & CEO, Centella AI Therapeutics
- Dr. Swetavalli Raghavan, Advisor, Government of Karnataka
- Venkata Sasidhar Manda, Chief Scientific Officer, Apollo Hospitals Research Foundation

02:45 PM

EXPERT TALK

The Next Frontier: mRNA, Cell & Gene Therapies, and Nucleotides

- Understand the R&D progress and manufacturing readiness of advanced modalities.
- - [NEW] Complex modalities (mRNA, ADC, multispecifics) challenges in clinical development: CMC and immunogenicity.
- Examine investment trends and regulatory frameworks for these complex therapies.
- Discuss opportunities for India to become a global hub for CGT and RNA-based innovation.

BIOXYRA SUMMIT 2026

AGENDA

FRIDAY

19.06.2026

03:10 PM

PANEL DISCUSSION

The Future of Digital Quality & Smart Biomanufacturing

- Examine how automation, IoT, and predictive analytics improve reliability.
- Discuss Pharma 4.0 adoption and its role in scaling up India's biomanufacturing capacity.
- Explore the intersection of digital transformation, compliance, and sustainability.

Moderator: TBD

Panellists:

- Dr Alok Tripathi, Sr Vice President, Centaur Pharmaceuticals Pvt. Ltd.
- Damodharan M, Chief Quality Officer - Global Quality & Regulatory Affairs, Sai Life Science Ltd

04:00 PM

CLOSING REMARKS & CLOSE OF SUMMIT

All session timings, topics, and speaker assignments are provisional and may be revised at the discretion of the organisers.

<https://bioxyrasummit.com/>

PARTNERS

KNOWLEDGE PARTNER

FEDERATION OF ASIAN BIOTECH ASSOCIATION

About the Federation of Asian Biotech Associations (FABA)

The Federation of Asian Biotech Associations (FABA) is a premier non-profit organization dedicated to fostering growth, innovation, and collaboration in the global life sciences and biotechnology sectors, with a strong focus on the Asian ecosystem. Established in 2004 and headquartered in Hyderabad, India, FABA serves as a dynamic, borderless platform uniting key stakeholders across academia, the biopharma industry, healthcare, and government.

With a collaborative network spanning more than 22 countries, FABA drives high-impact initiatives designed to accelerate scientific advancement and economic development. Our core pillars include:

- **Industry-Academia Synergy:** We bridge the critical gap between scientific research and commercial application, facilitating partnerships that translate academic breakthroughs into market-ready biotech solutions.
- **Fostering Entrepreneurship & Startups:** FABA nurtures the next generation of life science innovators by providing startups with vital ecosystem support, including mentorship, funding networks, and strategic guidance.
- **Global Networking & Policy Advocacy:** By organizing premier international forums (such as BioAsia) and facilitating cross-border collaborations, we help shape a favorable regulatory environment and drive policy advocacy for the life sciences industry.
- **Skill & Capacity Building:** We are committed to developing a future-ready workforce through targeted workshops, training programs, and knowledge-sharing initiatives that elevate industry standards.
